

RHS Chelsea Flower Show Charity Gala Preview

Monday 22 May 2017

The Charity Gala Preview is the most stylish way to enjoy the world's finest flower show. Despite the evening's ever increasing popularity, only a strictly limited number of guests are admitted, giving you the opportunity to savour the delights of the show in comfort and style. With champagne and canapés to hand, and music to complete the ambience, we guarantee you an evening to remember.

Please find below a breakdown of the different packages available at the RHS Chelsea Flower Show Charity Gala Preview. Please note that whilst no exhibitor applications are guaranteed to be successful, these applications will be prioritised in the ballot.

Should your application to exhibit at the show be unsuccessful, your Charity Gala Preview Ticket Application will be void.

The deadline for applying for tickets for the Charity Gala Preview is **Friday 9 September**.

If your exhibit is entitled to any cost price working badges, these can be purchased through the Exhibitor Zone. You will receive login details from the Exhibitor Services team in due course.
